From customer care to code, designing with a people-focused look.

-----Summary-----

Motivated Software Development student at Bow Valley College with experience in front-end web development, customer service, and community work. Skilled at creating websites that are simple, intuitive, and user-friendly. Strong communicator with excellent problem-solving and time-management skills. Detail-oriented and capable of delivering projects on time, both independently and as part of a team.

-----Technical Skills-----

Languages & Frameworks: HTML, CSS, JavaScript, C#, SQL, React (learning)

Tools & Practices: Git & GitHub, Visual Studio Code, Debugging & Testing

Core Competencies: Problem solving, attention to detail, team collaboration, continuous learning

-----Education-----

Bow Valley College — Software Development Apprenticeship-Style Diploma

Calgary, AB | Sept 2024 – Present

- Completed Term 1 courses: Web Programming Basics & Node.js, Programming in C#, Introduction to Databases.
- Currently developing skills in React, ASP.NET, and Cloud Fundamentals for Term 2 placement.

Core Strengths

- **Professionalism & Reliability:** Always meets deadlines and keeps a positive, team-focused attitude.

- **Curiosity & Learning:** Enjoys learning new frameworks and taking on coding challenges outside of class.
- **Communication & Teamwork:** Works well with others and builds good relationships in group projects.
- **Resilience:** Stays open to feedback, learns new tools quickly, and keeps improving with a positive mindset.

-----Experience-----

Tim Hortons — Calgary, AB

Restaurant Team Member | Nov 2024 – Present

- Worked with team members to meet goals and keep daily operations running smoothly.
- Provided friendly and efficient service to a wide range of customers, even during busy times.
- Built strong communication and problem-solving skills while helping customers.

Freelancer — Remote

Web Developer | Apr 2022 – Present

- Designed and built responsive websites and interactive web apps using HTML, CSS, and JavaScript.
- Reviewed website designs and recommended ways to improve usability and appearance.
- Worked with clients to understand their needs and provided regular progress updates.
- Tested, maintained, and checked websites to make sure they offered a smooth user experience.

Student Committee Member — Volunteer

Jan 2018 – Oct 2021

- Assisted in planning, promoting, and executing school events and initiatives.
- Built leadership, teamwork, and organizational skills through event coordination and peer collaboration.
